Transforming People and Communities

NURSING SKILLS PROGRAM AGREEMENT

Welcome to Central Wisconsin Community Action Councils' Nursing Skills Program. CWCAC is a community action agency whose mission is to transform people and communities to advance social and economic justice.

In order for CWCAC to provide services to program participants in an effective and efficient manner, we need all participants to follow through with the following program expectations:

- 1. Provide requested documentation (i.e. income verification, class schedules, copy of grades, receipts for pre-approved reimbursements, copies of financial aid letters, scholarship awards and other pertinent documents) in a timely manner.
- 2. Keep in contact with your Skills Development worker *at least once per month* to update them on progress and/or areas of concern. We need you to let us know when your situation changes (such as job changes, increase/decrease in hours/salary, new address or phone number, change in people in the household, change in school or degree program, added or dropped classes, etc.) Due to the limited number of program slots, your file can be closed if you have not contacted us within 6 months.
- 3. We need you to respond to phone calls/letters/emails from our office staff. There are times when funding sources require us to submit program progress reports, therefore we need your cooperation in providing us with the requested information.
- 4. Due to the limited amount of funding available, we have maximum guidelines for funding towards tuition, books/supplies, childcare, and mileage or internet service. The maximum for tuition, books/supplies is \$24,000 per student. The maximum for supportive services such as childcare, mileage or internet service is \$1,000 per student. These guidelines are subject to change based on funding received for the program. Please note that funding is approved each semester based on need and status in the program.
- 5. Upon completion of the Skills Enhancement Program, verification of employment, wage/salary, and benefits offered must be submitted (check stub or offer letter).
- 6. Our Funding sources require information regarding the follow-up status of program participants therefore; you will be contacted bi-annually after your program goals are met for up to two years, asked to complete a brief survey and mail/email it back into CWCAC.

I agree with the above program expectations.
